# FROM THE EDITOR

Richard Reaney

May was mad busy here at Niagara—and we loved every second of it!

We kicked things off with a bunch of end-of-season footy presentations, including most of our PUMA's squads and the Hillsborough Girls. Top work to all the teams! Then came the Sheffield Rangers' Awards & Fun Day, back for its third year and bigger than ever with 600+ turning up.

We also rolled out the red carpet for South Yorkshire Police, hosting a few of their awards bashes—including the SYP Sports & Social Awards. Big shoutout to Nev Hamilton, who picked up an award for his years of dedication to karate (he runs classes here Thursdays & Saturdays if you're fancying a go—drop us a message and we'll link you up).

Then came a cracking Evening with Mark Crossley to support the brilliant PACT charity. Over 150 of you showed up, and the raffle smashed it—raising £1,300 on the night.

Speaking of good causes—you lot raised almost £100 for MNDA during the final Sheffield Wednesday matchdays. Next comes a heartfelt thank you from our life members Keith and Helen Wild for your kind donations to Sheffield Children's Hospital.

And to top it off—we hosted our first wedding in the newly revamped Loxley Suite! Huge congrats to the brand-new Mr & Mrs Woodliffe. Check out our socials for some lovely snaps from Zoe Photography.

Roll on summer—it's looking just as busy

Dear Mrs Wild,

On behalf of the patients, families and staff at Sheffield Children's - thank you so much for your kind donation of £ 65.00 recently received by The Children's Hospital Charity from knitting and selling small Easter items.

We are so grateful for your support; your donations and generosity help us to make sure Sheffield Children's continues to be the extraordinary place it is for our patients and families

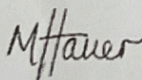

You might already know that Sheffield Children's is one of only three stand-alone children's hospitals in the UK, meaning it is unique in the breadth of its expertise, and the incredible care received by our families from our staff.

Children and young people travel from all over the country (and even from across the world) to Sheffield Children's for treatment, making the hospital one of the nation's best for paediatric care and home to some of the country's leading clinicians.

We'll work hard to make sure your donation has the biggest impact possible, ensuring we provide the best possible equipment, facilities and a comfortable hospital environment for our patients and families, as well as the little things along the way. To find out a bit more please visit our website [www.tchc.org.uk](http://www.tchc.org.uk).

Thank you for doing something amazing!

Yours sincerely,
